

Porter 14 (Patents Pending)

14" Cordless Sweeper

The Porter 14 is "Your DayPorter," available to help anyone at anytime. A quiet, cordless sweeper, the Porter 14 is great for retail stores, restaurants, healthcare environments, hospitality facilities, and casinos.

- Quiet for unobtrusive cleaning in occupied areas.
- Motorized to assure quick and effective pick-up.
- Battery-powered means no cords to trip on, so it is safe to use when customers are present. Two hour continuous runtime on a single charge.
- Versatile design works in damp and dry environments.
- Durable construction to withstand the rigors of commercial use.
- So simple and light weight that anyone can use it.
- Shipped with one maintenance-free 12V, 9-AH battery and a charger. Extended Run Time Battery Kit available for a total of four hours of use.

Productivity — Because of its cordless design, the Porter 14 will cover *much more than the 2,857 sq. ft. per hour* covered by a 14-inch upright vacuum. (Floor coverage figures taken from *ISSA 447 Cleaning Times*.)

Removing rock salt and other debris from damp walk-off mats is easy with the Porter 14.

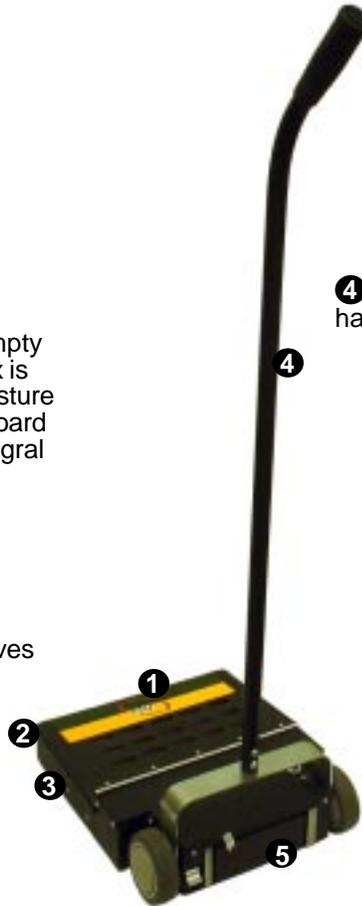

The Porter 14 makes quick work of dry and wet food pick-up in cafeterias and restaurants.

The quiet, cordless Porter 14 is ideal for all cleaning applications, day or night.

Specifications and appearance
subject to change without notice.

① Easy-to-empty filter/debris box is made from moisture resistant cardboard and has an integral filter.

② Low profile to clean under shelves and tables.

③ Chevron brush has 2 strips of nylon bristles to funnel dirt and debris into the filter box.

④ Lightweight, ergonomic handle can lay flat to the floor.

⑤ Battery-powered means it is safe to use when customers are present—no cords to trip on.

The rechargeable 12V, 9 AH battery provides 2 hours of runtime. Available extended run time battery kit provides a total of 4 hours of use.
